

Feast caterers customer's comments

Hi,

My wife and I were guests at a 50th birthday party at South Caringbah, last Sunday 26th July. Feast were the caterers.

I am just writing to let you know how much we enjoyed the food; the canapés and main course (beef or salmon) were cooked beautifully and were delicious.

The staff were relaxed and friendly, yet very polite & courteous; all were excellent ambassadors for your Company.

Thank you for your fine contribution to that which my wife and I always regard as a most agreeable way to spend an afternoon - good food, good wine and good company!

Kind Regards,
Michael Green

My parents were blown away by the food and the friendly staff that served. My kitchen was spotless when you guys left (at least that was one place that didn't need to be tidied)

The comments we've received about the catering has been fantastic. We were absolutely thrilled with not only the taste but the presentation was first class. I'm trying to talk the family around to a "Feast Christmas" so, hopefully, I'll be in contact with you again shortly.

Thanks again to you and your staff (who were very friendly and professional) for helping to make our Wedding very special.

Kind regards, Michelle and Garry Ball

I am writing to thank you all at Feast for the wonderful job you did for our staff Christmas party on Sat 13 December. Both the food and the staff were fantastic and we will certainly recommend you to anyone who asks. - Anne Knight

Dear Saeran,

I would just like to thank you very much for a wonderful night last night. Everything was just wonderful from your staff to the food, to the service. I have never heard so many people rave about cocktail food before, and everyone, including us absolutely loved it.

Your staff left my kitchen spotless when they left and they were all extremely friendly and hospitable.

We would have no hesitation in recommending you to anyone and we would be happy to have you cater for us again - ANYTIME.

With thanks for a wonderful night,

Diana

Hi Saeran

I would like to take the opportunity to thank you on behalf of the Huhtamaki team, for all the yummy food supplied for our Innovation workshop on 24th November at Elouera SLSC.

The food was just superb and everyone commented how exceptional it was. They all thoroughly enjoyed eating it and it certainly provided much need fuel for the afternoon session.

I have passed on your business card and we will certainly consider Feast for future events

Thanks again,

Repeating what I said on the night, thank you very much for helping to make it a wonderful night which the birthday girl was blown away with. The food was excellent in quality and quantity and the service matched it, wonderfully easy and very professional. Everybody was impressed and complimentary and a number took business cards so hopefully you'll get some new business from the night.

Thank you for taking all those bottles while you were at the house. I didn't expect you to take everything that was there but appreciate your help. I went down the side to start loading my neighbour's bins last night and everything was gone. Thanks again, I've received so many great comments regarding the catering and a couple of people have asked for your contact details; I hope they call you. Everyone was very impressed with you, your staff and the food on the night.

Thanks again.

Saeran and Tony, I can't thank you enough for all your work at Paul and Samantha's wedding. Tony thank you so much for arriving so much earlier, it was a great relief for me. Saeran the food was fantastic and everyone is still talking about how good it was. Not only are they talking about the food but also how lovely your staff were. It sure helps everything run smoothly, especially under difficult conditions. Once again a great big thank you both.
